

## COVID 19 – NSWRA News Release

### ALL RIFLE RANGE OPERATIONS

Dear Members

It is with a heavy heart that the NSWRA is taking this extraordinary measure and must order the complete closure of all Rifle Ranges in NSW due the risk of the COVID-19 virus.

This closure extends to all Clubs and extended club social activities, such as meetings, gatherings and the like.

This closure is effective as of TODAY the 25<sup>th</sup> March 2020 until further notice.

We sincerely hope this closure is not for an extended period of time, but as this is in the interest of our members health and safety we ask that ranges remain closed until further notified by the NSWRA.

Thank you for your understanding.

Chairman
